

Wraparound at Clutton

Welcome to Wraparound at Clutton. Our school-run wraparound care provides a safe, welcoming and enjoyable place for children from Nursery to Year 6 before and after the school day.

As our provision is run by school staff, children are cared for by familiar adults and can move easily between their school day and wraparound. We aim to create a relaxed environment where children feel comfortable, have fun and enjoy a range of activities with their friends.
