

October 2020

Dear Parent/ Carer

I am delighted that your son/daughter has decided to take GCSE Art and Design.

All GCSE students need to purchase a number of sketchbooks throughout Year 10/11. This is a vital coursework requirement and helps to keep work safe and well presented.

As it is very important to keep ongoing work, such as finished sketchbooks and large final pieces in the best possible condition, we strongly recommend that each student has their own art portfolio to keep their work safe. The Art Department has put together an art pack which will include an A2 polythene Portfolio folder, an A3 sketch book, graded pencils pk6, colouring pencils pk12, watercolour paint tin, watercolour brush set pk5, black fine liner, metal wedge double hole sharpener, pencil eraser. We are offering these items for £16, payments to be made via parent pay. For students who are entitled to pupil premium the total cost is paid by the school.

We would strongly recommend that, to support your son/ daughter with their GCSE Art and Design, that these items are purchased through school.

Please do not hesitate to contact me if you have any queries or worries about the progress of your son/daughter during the GCSE course.

Yours sincerely

Ms S Howell  
Art Department
