

Dear Y6 Parents,

As I hope you will be aware, our History topic this term is 'The Georgians'. One of the aims is to understand how this era, and individual figures within it, influenced life and culture within Bristol and Bath, with the intention of visiting both places.

Although, sadly, we are unable to take these trips, an exciting alternative is at hand! The Bath Natural Theatre Company have offered to provide a 'Georgian Day' for Year 6 within school. They will be reinforcing what we have been learning in class and relating it to what life would have been like in Bristol / Bath during this time. It promises to be a super experience.

The school will be subsidising some of the cost of this event but in order to try and bring the cost to parents down further, Year 6 pupils have been thinking of some fund-raising strategies.

Out of a range of suggestions, the top three ideas are as follows:

1. A pyjama/ onesie MUFTI day for Year 6 – with a £2 contribution – on Monday 7<sup>th</sup> December.
2. A Sponsored Silence day (this could extend to your home setting if you wish!) – on Wednesday, 25<sup>th</sup> November.
3. 'Bob-a-job' – Any ongoing opportunities for the children to earn a little bit of money in return for completing helpful tasks. For example: washing the car, doing housework or keeping the bedroom tidy for a week!

Whilst I hope that the first suggestion can be supported by everyone, I fully appreciate that finding extra money, or asking for sponsors, can be difficult, especially in the run up to Christmas. There is no obligation, and any monies raised are very gratefully received.

Please feel free to email me any 'Bob-a-job' photos. I will take pictures of the class-based events and of course, of the Georgian Day. This will take place at the beginning of December and will be a really fitting end to our topic.

Many thanks for your ongoing support,

Kind regards,

Mel Reid (Year 6 Class Teacher)
