

Dear Parents, Carers and Former Students,

Year 11 Celebration Evening 2024

I am delighted to invite you and your child to our Celebration Evening for our Year 11 leavers. The event will be held at St Dunstan's on **Wednesday 11 December**. The evening will begin at **18.00** and will be approximately 90 minutes long.

This special evening is an opportunity to recognise the achievements of our recent Year 11 cohort, reunite as a school community, and celebrate the hard work and dedication that made last year a success.

The event will include:

- Presentation of GCSE Certificates
- Teacher Awards
- A chance to reconnect with staff and fellow students

Refreshments will be provided as we come together to mark this milestone in your educational journey.

You are more than welcome to bring your immediate family along and we would appreciate it if you could complete the google form attached and indicate how many people from your family group will be attending.

Please complete the google form by **Friday 6 December**.

We look forward to welcoming you back to St Dunstan's School and sharing in this memorable occasion.

Yours faithfully
Mr T Armstrong
