Please note that we can only claim a discount on our revision guides from a limited number of suppliers. Where we cannot claim a discount we ask that parents buy these guides directly from the supplier. It is worth noting that we as a school do not require you to buy any of these revision guides, although some students find them useful when revising. It is also worth noting that the school passes on all discounts to parents, we do not make any money from selling these guides.

If you would like to buy any discounted revision guides, you will need to complete the google form above (titled: 'Discounted Revision Guides') by **Friday the 6<sup>th</sup> of October**. Upon completing the form, please could you make a note of the total value of the purchase. On Monday the 9<sup>th</sup> of October these items will be added to parent pay, please could you pay the outstanding balance by **Friday the 13<sup>th</sup> of October**. Please note, students eligible for the pupil premium fund will receive their revision guides free of charge.

If you have any questions, please do not hesitate to contact me.

Yours faithfully
