

4 May 2021

Dear Year 9 Parents/Carers

I am writing to inform you that on Monday the 10th of May, the class groups for year 9 will be changing. The change has been designed to help students prepare for their options subjects next year, it will also allow core subjects to support their students better in preparation for their GCSEs.

There will be two higher mixed ability classes and a slightly smaller group that will have some additional time focusing on improving key skills in maths and English. Unfortunately, we can't amend groups based on student friendship circles.

If you have any queries or questions about the changes, please don't hesitate to contact me. I look forward to seeing year 9 make outstanding progress towards the end of the year and I thank you for your ongoing support.

Yours sincerely

Mr T Armstrong
