Is your child a Young Carer?

Dear Parents and Carers,

At Midsomer Norton Primary School, we are committed to supporting the wellbeing and education of all our pupils. We are currently working to identify and support young carers within our school community.

A young carer is a child or young person under 18 who helps look after a family member who has a physical or mental illness, a disability, or a health condition. This might involve helping with practical tasks around the home, providing emotional support, or assisting with personal care.

If your child provides care or support for someone at home, please let us know. Identifying young carers allows us to offer additional support, flexibility, and understanding to help them thrive both emotionally and academically.

Please email office@midsomernorton.mnsp.org.uk or speak with your child's class teacher in confidence. Any information provided will be treated sensitively.

If your child looks after someone in the family, you can register your child as a young carer using the following link:
<https://banescarerscentre.org.uk/who-we-help/young-people-looking-after-someone>

Thank you for your cooperation and continued support.

Kind regards,

Norma Forster
