Friday 17th January 2020

Dear Parents/Carers,

Year 6 SATS Information Evening 11th February 2020

As you know, your child will be taking their SATs tests later on this year. In order to help our children and families approach these assessments with confidence, we would like to take the time to explain how these will take place and provide you, as parents/carers, with the support to help your child at this time.

We will be holding a SATs Information session on Tuesday 11th February to explain how your child will be assessed and what information parents/carers will receive as a result.

We will also be providing advice and resources to help you support your child in the run up to the assessments.

The session will be held in Earth Class and will run from 6:00 – 6:30 pm.

Best regards,

The Year 5/6 team
