

19th November 2021

This week at Next Steps we have been busy bubble painting where the children blew bubbles into the paint to print onto paper. We have been doing lots of big movements in the playground, including climbing, balancing, and dancing! The children have enjoyed starting some Christmas crafts, and making Pudsey Bear masks! there has also been birthday celebrations this week too!

Star of the Week

Our star of the week this week is James for showing independence to do things himself!

Reminder for Parents:

Please can the parents who are claiming for 30 hours funding for their child ensure that they have applied and sent off the relevant information before the deadline in December. Please can you then inform the nursery and the school office if your child has been granted this as we will need further information.

Thank you from the Next Steps Team!
