## This week at Nursery ...

4th February 2022

This week we have been talking about Chinese New Year, and made some spring rolls. The children enjoyed chopping the vegetables, and rolling the pastry. They also made some Chinese lantern pictures using card and glitter.

### Star of the Week

Melania

Our star of the week is Melania for marvellous maths! She was amazing at matching the numbers to the colours in our colour by number activity.

The children have been busy with dinosaur activities, looking at fossils and dusting them off in the sand, and making shapes with the dinosaur bones. We've also been talking about length and comparing sizes of the dinosaur bones too. The children have shown a great interest in dinosaurs and other animals too.

## Next week...

We are going to be making a craft activity so any plastic milk cartons would be greatly appreciated please!

Please could children to bring in pet pictures as we're going to be talking about pets they have at home.

## Dates for the Diary

Nursery will close for Easter break from Friday 8th April and back open for children to return on Wednesday 20th April 22.

For the summer break, Nursery will be closed from 1st August and be back open on Monday 15th August.
