Dear Parents and Carers

At St John's Church Of England Primary School, safeguarding and promoting the welfare of children is everyone's responsibility and our top priority. Anyone who comes in to contact with children and their families has a role to play. As part of that, we are going to send out a new termly safeguarding newsletter informing you of any recent safeguarding news as well as providing you with key details around a range of safeguarding issues. This newsletter will focus on the Designated Safeguarding Leads, Keeping Children Safe in Education 2020 and what to do if you have any concerns.

- Referring any concerns to social care or other appropriate agencies
- Monitoring children who are the subject of child protection plans
- Maintaining accurate and secure child protection records
- Raising awareness of the school's safeguarding policies and procedures, and ensuring they are implemented and reviewed regularly

Our Designated Safeguarding Leads are:

Mrs Monks

Mrs Stone

Mrs Dando

Keeping Children Safe In Education 2020

Keeping Children Safe in Education is a statutory Department for Education document which all schools must follow when carrying out their duties to safeguard and promote the welfare of children. It covers many aspects of safeguarding including different forms of abuse, early help processes, safe recruitment, how concerns must be reported and the role of the Designated Safeguarding Leads. Click Here for the full document.

Safeguarding and promoting the welfare of children is defined as:

- Protecting children from maltreatment
- Preventing impairment of children's mental and physical health or development
- Ensuring that children grow up in circumstances consistent with the provision of safe and effective care; and
- Taking action to enable all children to have the best outcomes

Report any concerns

If you suspect a child is being abused or is in danger of being abused please contact a Designated Safeguarding Lead, or any member of staff.

If a child is in immediate danger, call the Police immediately on 999.

Safeguarding Curriculum

We believe that one of the best ways to safeguard children, is through equipping them with the knowledge and skills for how they can keep themselves safe. Safeguarding themes are threaded through our curriculum and the enrichment opportunities we offer in school. Some examples include:

Our 'Jigsaw' scheme is delivered from Year 1 to Year 6

Online safety discussions in computing lessons
Links with the NSPCC (assemblies etc.)
Involvement in Anti-Bullying week
School nurse visits

Themed safety events (e.g. Bikeability / Bonfire Night)

Remember! You can always speak to your child's class teacher if you have any safeguarding concerns.
