This week at Nursery ...

18th February 2022

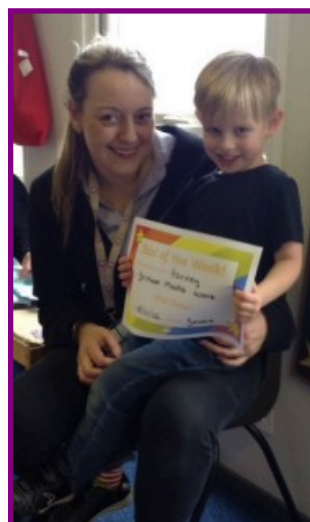

This week at Next Steps we have been busy looking at animals! We've talked about our pets we have at home, and looked at some pictures of everyone's pets! Thank you for bringing them in to share!

The children have been cutting around different sized animals and sorting them into biggest to smallest. They have also enjoyed looking at animal patterns, and building animal homes. The children wanted to get messy too, so we got some paint and glue out and looked at some animal faces we could make. The children chose to make cats, rabbits and fish!

Star of the Week

Harvey

Our star of the week this week is Harvey for his brilliant maths work. He has shown a lot of independence when looking at animal patterns and sequencing what comes next.

We have been looking at logos too, talking about places that the children visit, and what logos are familiar to them. They have enjoyed telling us about places they've been and who they went with.

If your child is attending nursery next week, then please remember that they will need a packed lunch as the dinner hall will be closed.

Don't forget- World Book Day is Thursday 3rd March where children are encouraged to dress up as their favourite book characters!

Reminders:

Spare Clothes

We are asking for any donations of socks or tights as we are running low on spares. If you have, even if they are odd, they would be greatly appreciated.

Lost Property

We have lots of lost property items - if you are missing anything specific, please ask, or we will put it into our spares box.

School Half Term

As a reminder, the school kitchen will be closed, so please ensure children bring in a packed lunch.

World Book Day

We will be celebrating World Book Day on 3rd March, so we are welcoming the children to dress up as their favourite book characters!

Dates for the Diary
