## This week at Nursery ...

4th March 2022

We've had a busy week this week celebrating Pancake Day, and World Book Day!

### Pancake Day

The children loved making pancakes this week for pancake day. There's been a hint of flour in the air, and eggs on the floor and they've loved getting messy! The children decorated and ate pancakes for snack, and had a go at flipping the pancakes too! There's been some very creative pancake faces that the children have made, using different foods for different parts of the face!

### World Book Day

Our children have always shown great interest in stories, recalling their favourites and talking about what happens in the story. They have loved dressing up and seeing everyone's different costumes. From Dalmatians to Peppa Pig, Elsa to Spiderman it was great to see everyone taking part. We read many stories to the children, increasing the variety of books they choose to look at. The children love taking on a role to bring stories to life, so they love our story sacks too which provide props for stories.

### Reminder

Please can we remind parents to bring back the pupil consent forms so that we are aware of where we can display children's photos.
