This week at Nursery ...

25th March 2022

This week at nursery we have been making the most of the lovely weather and enjoying water play activities. The children enjoyed using the gutters and ramps to explore where the water will go, and how they can catch it. We've been working on our balancing skills on the school field using a variety of resources to experiment with movements such as tunnels, stilts and hoops.

The children have enjoyed mark making using different medias such as sand, water and shaving foam, and they have been writing lovely messages for their Mother's day cards.

We'd like to wish all our Mummy's, Granny's and Nanny's a very lovely Mother's day this weekend! Hopefully it will be nice and relaxing!

Have a lovely weekend,
From the team at Next Steps

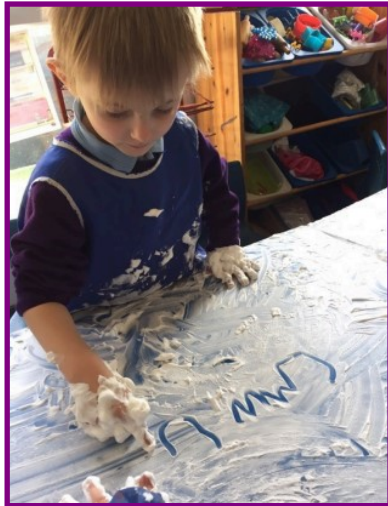

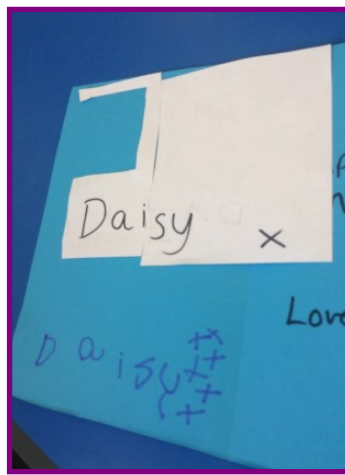

Star of the Week

Remy

Our star of the week this week is Remy for his amazing letter formation and mark making.
Well done Remy

Important Reminders

Funding Reminder

New applications and renewals for funding for the Summer Term must be completed by 31st March. Please then complete and return a declaration form as soon as possible thank you.

Consent Forms

Please return the pupil consent forms so that we are aware of where we can display children's photos.

Spare Clothes

We are asking for any donations of socks or tights as we are running low on spares. If you have, even if they are odd, they would be greatly appreciated.

Lost Property

We have lots of lost property items - if you are missing anything specific, please ask, or we will put it into our spares box.
