## This week at Nursery ...

1st April 2022

This week at nursery we have been extending children's knowledge of growing by exploring mud and trowels. The children planted some grass seed and talked about how the seeds will start to grow. The children enjoyed making their own flowers using brown playdough for mud, and making flowers from tissue paper.

The children enjoyed bringing the 'Bear Hunt' story to life using props in the playground. The children used their imaginations and knowledge of the story to recreate walking through the mud, the forest and finding the bear cave! They have also been mark making with feathers, comparing plant sizes, and making some impressive block models!

Please could you let us know if your child will be in during the Easter holidays when Nursery re-opens on Wednesday 20th April - if your child is attending, they will need a lunchbox!

We also have lots of 'Lost Property' that needs collecting!

### Star of the Week

Sofia

Our star of the week this week is Sofia for sharing her knowledge of counting in Spanish!

She has been talking to her keyworker about some Spanish words, and shared 1-5 with her friends!
