This week at Nursery ...

8th April 2022

We've had a busy week talking about Easter. The children enjoyed a story about Jesus and why we celebrate Easter.

There has been an Easter bunny hopping around the playground this week too, leaving the children some Easter eggs and chocolate surprises!

The children also enjoyed making Easter nests and talking about the egg to chicken life cycle.

Star of the Week

Daisy L

Our star of the week this week is Daisy L for her brilliant rhyming skills! Well done Daisy!

The children spent an afternoon on the school field, running, digging, bug finding and making pretend campfires! There was lots of imaginary play including some pretend marshmallow roasting! Lots of children took part in some messy balloon painting, rolling balloons across a big sheet of paper. They have also been enjoying some turn taking matching games together.

Parent reminder- Nursery re-opens Wednesday 20th April and the children attending will need to bring a packed lunch.

From Little Acorns Grow Great Oaks

Thank you to Simple Recruitment who have provided all the children in Nursery and Reception with acorns, complete with pots and instructions, to take home and start to grow over the Easter break.
