## This week at Nursery ...

29th April 2022

Welcome back to the summer term! We hope you all had a lovely Easter break, and it's nice to see the sun shining as we return to nursery!

We have been looking at transport this week, talking about favourite vehicles, and how the children travel to different places. The children have enjoyed some big scale mark-making, using cars with pens attached to the back. The children showed an interest in the long lines and circles they could make by moving the cars in different directions.

**Star of the Week**

**Amelia**

Our star of the week this week is Amelia for showing us her amazing counting and sorting skills using the compare bears. Well done Amelia!

We have also been focusing on floating and sinking at the water tray. The children talked together about what they thought would float and what would sink.

The children have been looking at the grass they planted, noticing it beginning to grow, and watering it. There has been some story sequencing of 'The Bear Hunt' too, talking about what happened next. The children have also been using lots of physical skills for balancing, and for experimenting with what they can do with the hula hoops!

Nursery will be closed for the upcoming bank holidays- Monday 2nd May, Thursday 2nd June and Friday 3rd June.
