This week at Nursery ...

This week at nursery there has been a car wash! The children have really enjoyed using bubbly water to wash the bikes and cars in the playground, and explore squeeze sponges! The children explored making waves with boats in shaving foam, and using their senses to explore the foam through smell and touch.

Star of the Week

Charlie

Our star of the week is Charlie for showing a good understanding of floating and sinking. Well done Charlie!

While outside, children enjoyed rolling different objects down the guttering to see which would go the furthest. They set this up themselves and then others joined in bringing objects with them.

Through the summer term on a Friday afternoon, our nursery children now access Physical Mindfulness in the school studio. The course is based around our Christian Value of 'Friendship'. This encourages the children to move in different ways, and stretch out their bodies. Last week they read a story and then moved like the animals within the story.

If your child is in their pre-school year, can you please confirm when their leaving date for nursery will be.

If your child will continue to attend here in September and you wish to amend your current hours, please could you inform of us of your intention as soon as possible so that we can ensure the sessions you require are allocated.

Important Reminders

Consent Forms

Please return the pupil consent forms so that we are aware of where we can display children's photos.

Spare Clothes

We are asking for any donations of socks or tights as we are running low on spares. If you have, even if they are odd, they would be greatly appreciated.

Lost Property

We have lots of lost property items - if you are missing anything specific, please ask, or we will put it into our spares box.
