This week at Nursery . . .

13th January 2023

Welcome back to all our families, and a big welcome to our new families too - we hope you all had a lovely Christmas break!

We've been busy at nursery looking at different animals, particularly Arctic animals in some floury, glitter snow. The children enjoyed exploring textures, mark making, and making animal footprints! The children have completed some animal sizing activities, talking about biggest, smallest and middle-sized! The animals also went walking through the paint, making colourful footprints!

Star of the Week

Our star of the week is Taylor!

She's been showing a can-do attitude to learning, particularly in her maths and shape work!

Well done Taylor !

Note for parents:

We have some families with severe nut allergies, so we do ask that NO peanut butter/peanuts are provided in lunchboxes please.

REMINDER

The closing date for on-time Reception applications
is Sunday 15th January 2023.

DATES FOR THE DIARY

3rd April - 11th April: Nursery will be closed for the Easter Holiday
