10th January 2023

Dear Parents/Carers,

Thank you for attending the meeting today. I hope it was useful and clarified a few questions you may have had around the residential visit to **PGL, Little Canada, Isle of Wight on Monday 27th March– Friday 31st March.**

As you know we will be travelling to PGL with both Farrington Gurney and Clutton Primary Year 6. We will spend some time with these children, including eating together and some activities together (but not mixing rooms). It will be a great opportunity to meet children from other schools who may well be at the same secondary as your child next year!

This letter will further clarify the following:

- * Overview, accommodation and facilities
- * Activities and Itinerary
- * Clothing List
- * Rules for the trip
- * Medical Form and permission

I expect us to leave school at around 9.30am on Monday 27th March, and we will be back to school at approx 7pm on Friday 31st March. A 'final arrangements' letter informing you about the exact drop-off times will be sent out nearer the time of the residential during Term 4.

Please complete the attached parental consent forms and medical form by Friday 10th February.

If you have any questions please do not hesitate in contacting the school.

Yours sincerely,

Mr Gunning

OVERVIEW, ACCOMMODATION and FACILITIES

On the Isle of Wight, Little Canada is located in 48 acres of beautiful woodland on the banks of Wootton Creek. The centre offers distinctive log cabin style accommodation and a diverse range of indoor and outdoor activities.

ACTIVITIES

We haven't had our activities confirmed yet, however these are likely activities:

Abseiling	Aeroball
Archery	Sensory Trail
Challenge Course	Fencing
Outside Climbing	Trapeze
Giant Swing	Jacobs Ladder
Problem Solving	Zip Wire

The children will spend most of the day outside therefore it is vital that they wear lots of layers and have waterproofs tops and bottoms.

They must also have plenty of hairbands to tie back long hair.

The children will be split into two groups for activities with either Mrs Meisnner or myself with each group. Sometimes both groups come together for certain activities. We will also have Mr Hayes with us for the week.

There will also be four evening activities which could include: Ambush, Passport to the World, Campfire and of course **a disco on the final night.**

08.20:	Breakfast
09.15:	First activity session

CLOTHING LIST

Being an early spring residential, it is likely that children will need a full range of clothing. Several of the activities will need long sleeves and trousers for Health and Safety reasons and during the evening/night the children will need a hoodie and coat. Of course, there is also a fair chance of rain, so a waterproof jacket would also be required.

This list is compiled **as a guide** to what is required. We hope that you will not need to make any special purchases. This is an educational trip on a rural site so all clothing should be comfortable and practical.

Please limit your luggage to one **medium-sized** holdall or suitcase - **remember we are only away for four nights.**

RULES OF THE TRIP

As with all trips we need to have rules. These rules are for the benefit of everyone - you, the teaching staff, all the other people in the party and the staff at the centre.

- Use your common sense at all times - think about the consequences of your actions.
- Be thoughtful, helpful and polite to ALL other people at ALL times.
REMEMBER - manners cost nothing.
- Always be punctual, particularly for meals for which you must have clean hands and be suitably dressed.
- Get up in the morning when you are told to do so by an adult and not before – remember that although you may be awake, there will be others who are not.
- Keep your room tidy and make your bed every day - your room will be inspected each evening.
- Ensure that you have a shower every day.
- Mobile phones and electronic games are not allowed, so do not bring them.
