

High Littleton Church of England Primary School  
Vision Statement

*“Love each other as I have loved you.” John 15:12*

Making friends, working and playing together are important to our Church School. We have strong Christian attitudes. Being a friend to everyone is important to keep us happy and to give us confidence and self-belief to achieve all our dreams and goals. Through amazing teaching and experiences, we are enthusiastic to learn and try to be the best that we can. We set an excellent example and encourage each other to care and respect everyone and everything.
