This week at Nursery . . .

28th April 2023

It has been an exciting week at Next Steps! On Wednesday the children (and grown ups!) were so excited to see a real crane, and watched through the window as it lifted our old nursery building into the air!

They took the building apart into three sections and lifted each of them onto lorries, so the children were entertained for most of the day! This fitted in well with our topic of 'Here, there and everywhere', as we have been focussing on transport.

Stars of the Week

Our Stars of the Week
this week are

- * **Bellatrix** for good listening and showing a 'can do' attitude to tasks.

and

- * **Leo G** for showing confidence in self care.

We have shared different books each day during our library time, both fiction and non fiction texts all about vehicles. We have also explored how vehicles have been developed over time using real photos from history.

We have attached pens to all sorts of vehicles and made tracks on a huge paper road! And in maths we have parked vehicles in numbered parking spaces.

Our Christian value this term is Friendship, and in physical mindfulness the children have been discussing what makes a good friend, and supported each other to make friendship rainbows with their bodies.

September Sessions

Please let us know as soon as possible if you are considering changing, or adding any sessions from September so we can ensure that places are allocated accordingly.

DATES FOR THE DIARY

Monday 1st May - Nursery will be closed for the Bank Holiday

Monday 8th May - Nursery will be closed for the Bank Holiday

31st July - 11th August: Nursery Summer Closure. The Nursery will re-open on Monday 14th August.
