This week at Nursery . . .

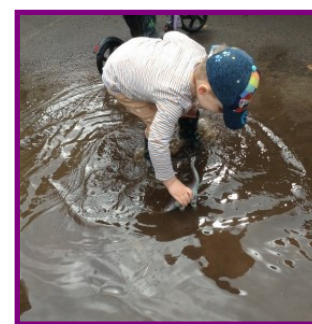

12th May 2023

This week at Next Steps we have enjoyed learning about travel. The children have been telling us all about different holidays they have been on. We used shapes to create paper plate caravans, complete with a surf board on the roof!

We have had exciting role play opportunities with the help of a tee-pee tent set up inside nursery - the children really embraced the idea of camping at a festival by exploring the mud and muddy puddles! Please can we remind you to ensure children bring spare clothing to nursery for messier times.

STARS OF THE WEEK

Millie for being super helpful!

Lilah for showing confidence and making new friends.

We have had lots of fun making paper aeroplanes and taking them outside to test them out. The children enjoyed trying out different ways to throw the planes and from different heights, comparing the distance they flew each time.

September Sessions

Please let us know as soon as possible if you are considering changing, or adding any sessions from September so we can ensure that places are allocated accordingly.
