This week at Nursery . . .

16th June 2023

This week at Next Steps we have been busy outdoors!

We have shown great teamwork when the children helped to carry pots, fill them with soil and replant some lovely flowers. Be sure to have a look at them at the front of the nursery.

The children have been very good at keeping the strawberry plants well watered during this hot weather too. We have some extra flowers left over and would like to ask if anyone has any children's wellies that they have outgrown and would be willing to donate them, we would like to use them as plant pots please.

Our topic this term is 'moving on' (transition to school) and healthy me.

The pre school children had their leavers photos taken on Tuesday and we were so proud of how mature and well behaved they all were. We look forward to seeing the final photo and will keep you informed of pricing and ordering details when we know.

STAR OF THE WEEK

Stanley

for making new friends and showing confidence!

Well done!

REMINDER Parent's Evening - tonight!

We're really looking forward to seeing many of you later - if you are unable to attend this evening, please speak to your key person and we'll be happy to arrange another time.

We have started to explore how to keep safe and healthy, learning about sun safety, the importance of healthy eating and hygiene. The children have enjoyed being pretend dentists with pretend teeth to check and clean.

The children have enjoyed lots of water play this week, a great way to cool off during the hot weather. We have been going out earlier in the mornings to avoid the hottest parts of the day, so please can we ask that you apply suncream before nursery and provide a sun hat, water bottle and spare clothing in case they need changing.
