This week at Nursery . . .

23rd June 2023

Thank you to all that attended Parent's evening. It was lovely to be able to show off the new nursery building and many of you enjoyed the new air con system!! As always if you have any concerns or wish to speak to your child's key person you are always welcome.

The pre school children enjoyed a Teddy Bear's Picnic this morning at school. They met with their new teachers in preparation for reception. We will continue to make visits to school with them in the run up to the summer holidays, sharing the outside space and exploring the environment. Many of them are so familiar with the classroom already from our time over the studio so it has been a really positive start to their school adventure.

This week at nursery we have been continuing to learn about keeping healthy. The children are still enjoying exploring pretend teeth, - we have some skilled dentists in training! We have also been investigating healthy foods, and preparing healthy plate pictures.

REMINDERS:

Summer Leavers

A reminder that in order to send accurate invoices for July and August, if you are planning for your child to leave us prior to the end of August, please let us know as soon as you can - our notice period is one month.

September Sessions

Please let us know as soon as possible if you are considering changing, or adding any sessions from September so we can ensure that places are allocated accordingly.
