

A Parents' Toolkit

Parents and carers are the biggest influence in a young persons' life. Sometimes we can be overwhelmed with all the different education and training pathways available to them. [Talking Futures](#) have created resources to help you.

Virtual Work Experience

Do you want to learn more about the Life Science Industry ?.

You can complete virtual work experience in Cell and Gene Therapies, Working in Cell and Gene Therapy and Apprenticeships in Cell and Gene Therapy. If you complete all 3 lessons you will earn a certificate.

Start the course [here](#).

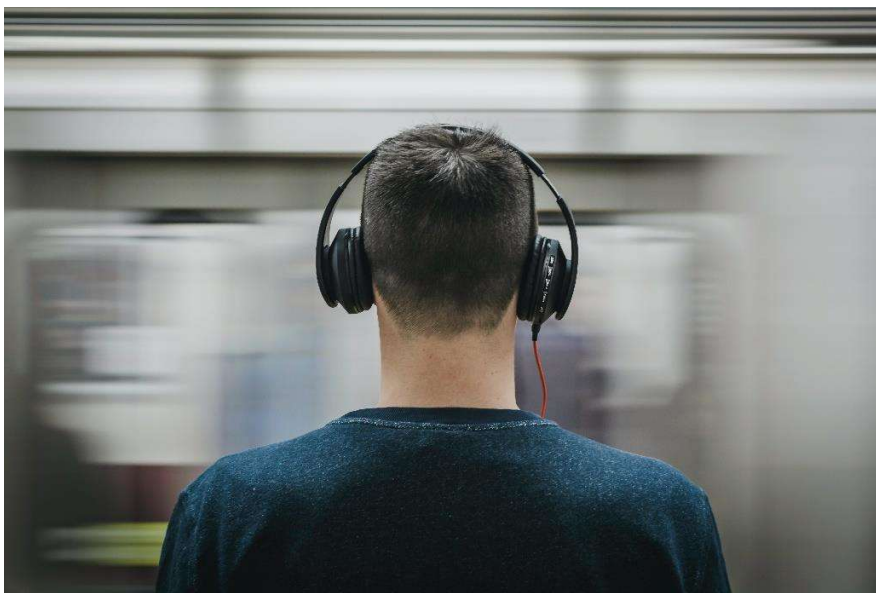

Parent Perspective Podcast

[The Parent Perspective Podcast](#) is an exciting podcast for parents and carers.

It can give you support with careers advice and guidance.

Through the podcast they explore which carers are available today, showcase the experiences of interesting and diverse role models and provide real – time insights into how the world of work is changing.

Somerset Your Futures

All young people should be supported to achieve their optimum career outcomes. Take a look at [Somerset Your Futures](#). This website will give you information about the largest employers in Somerset, sectors, jobs and information.
