Dear Parents/Carers,

We hope that you and your children have had a well-earned and well-rested summer holiday and that you are ready for the start of an exciting year in Robin Class. I know I am!

During this term, we have plenty of new and exciting topic areas to explore and learn together, including becoming real life scientists specialising in **mixtures and separation**, exploring the fascinating history of **The Vikings**, and practising **Dance** and **Tag Rugby** in PE.

If you, or your children, have any questions or worries about the upcoming academic year, please do not hesitate to come and speak to me at the gate at the end of the school day. I am more than happy to discuss.

For your information, Dance will be every **Monday** afternoon and Tag Rugby will be on **Friday** afternoons. As you may be already aware, children are now expected to wear their PE kits to school which should save everyone some time and effort. With regards to Tag Rugby, we will be planning to deliver these sessions at the High Littleton Recreational Ground. Please can I ask that children wear the most suitable trainers considering it may be slippery and muddy at times. Studded/moulded boots of any kind, however, are not to be worn. Thank you in advance for this.

## Reading

Once 'Accelerated Reader' is in full operation again, the children will be able to select new books to take home and read. This will be by the end of the current week. Can I please ask that children are encouraged to read as often and as consistently as possible.

## Homeworks/spellings

I will be providing homework/spellings on a weekly basis as usual. We will start this week. Homework will be assigned every Friday and marked the following Friday.

Whilst the prospect of a new teacher can be daunting, I hope it helps that I am not a completely unfamiliar face around the school. However, once again if you have any worries regarding this then please do come and speak to me. I am extremely excited to be teaching your children and I hope you all share that excitement! Together we are going to have a wonderful school year and we have plenty to look forward to.

Many thanks.

Yours sincerely,

Kyle Smalley  
Robin Class Teacher
