HIGH LITTLETON CHURCH OF ENGLAND PRIMARY SCHOOL
SCIENCE MEDIUM TERM PLAN TERM 2

	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6
Hedgehog Everyday materials	Which material is best at keeping us dry/is waterproof?			Revisit and assess		
Seasonal changes 1						
Fox Living things and their habitats	How do different habitats provide for the basic needs of different kinds of animals and plants?		How do animals obtain food from other animals and plants?		Revisit and assess	
Badger Light	Can we see without light?	How does light behave when it is reflected?	Can we change how shadows are formed?	How can we protect our eyes from the Sun?	Do shadows stay the same all day?	Revisit and assess
Otter Sound	How do we hear sounds?	What patterns can you find between the strength of vibrations and volume of a sound?	What happens to sound as the distance from the sound source increases?	What material provides the best insulation against sound?	How do the features of an object affect the pitch of the sound it makes?	Revisit and assess
Robin Earth and space	How does our position in the solar system impact life on Earth?	Does anything else orbit the Sun?		How do we get night and day?	How do shadows show us that Earth is rotating?	Revisit and assess

Deer Evolution and inheritance	How do scientists know that living things have changed over time?	How does variation explain the different features and characteristics of living things?	How has variation led to evolution?	Do all living things adapt in the same way?	How have plants in the local area adapted?	Revisit and assess
