

EYFS Curriculum Progression

Expressive Arts & Design – Music

In Early Years we value Music as an important part of the children’s entitlement to a broad and balanced curriculum. Music provides the children with the opportunities to develop and extend skills and an opportunity to express their individual interests, thoughts and ideas. Teaching in the Early Years Foundation Stage is underpinned by the Characteristics of Effective Learning.

Music is an integral and well-resourced part of life in Early Years. We aim for music sessions to be fun and inspiring, engaging the children with songs, lyrics and movement. Music allows our children to feel reflective and expressive, developing their own appreciation of music with the opportunities that we provide. Music is planned in-line with the development matters statements along with cross curricular links to their own interests. Through our music session children are actively involved in a wide range of musical opportunities. Children develop their singing voices, using body percussion and whole body actions, and learning to handle and play suitable instruments effectively to create and express their own and others’ music. Through a range of group sessions children have opportunities to explore sounds, listen actively, compose and perform.

<u>Implementation:</u>	<u>Learning experiences</u>	<u>Key vocabulary & what children need to know</u>	<u>Development Matters in the EYFS</u>
<p>Caterpillars Nursery 2 year old Provision</p>	<p>Nursery Rhymes/Singing: Group sessions, encouraging children to join in singing favourite songs. Repeating familiar songs.
