Robin Class Newsletter Term 3 2024 (Thursday 4th January - Friday 9th February)

Dear Parents/Carers,

I hope everyone has had an extremely restful Christmas break and I wish you all a happy New Year. In this newsletter, I have summarised and outlined below what the children can be expecting to learn about this term. During the term, we will also be embarking on a school trip to the William Herschel Museum of Astronomy. This is in line with our science topic for the term: The Earth and Space. There will be a separate letter provided soon which will contain the more specific details of this trip.

The Write stuff: Mars Transmission

The children have already begun this unit in term 2 and may have mentioned lots of interesting facts about the planet Mars. We will be continuing this unit and by the end of term, the children will be writing their very own non-fiction 'Transmission' piece.

Maths:

During this term, we will be focusing on the **Multiplication & Division B** and **Fractions B** units of work.

Science:

In science, our focus will be directed towards **The Earth & Space**. I know that the children in Robin Class are particularly enthused about anything 'space-related'. This will make for an exciting sequence of science lessons!

History: Ancient Greece

We will be learning about the period of ancient Greek history spanning from 2200 BC - 100 AD. This period saw the rise and fall of several different civilisations. More specifically, we will be focusing on learning about the **legacy** of ancient Greece.

PE:

This term, the children will be practising the sport of **handball**. This will be taught on **Monday** by our excellent PE coach, Tom.

"Love each other as I have loved you" John 15:12

Dance Umbrella:

I am delighted to confirm that the children will be taking part in Dance Umbrella. This term our specialist Dance Umbrella instructor Michelle will be helping the children to create a routine on **Wednesday** afternoons. At a later date, the children will be performing at the incredible Dance Umbrella event.

Please note: There will be a separate Dance Umbrella letter which will provide all the information you will need regarding this event.

RE:

In RE this term, we will be learning more about the religion of **Islam**.

PSHE (Jigsaw):

Here, we will be focusing on **Dreams & Goals** in PSHE lessons.

Computing:

In computing, we will be learning about **creating media** and will be focusing on **Flat file databases**.

Lastly, we will continue our learning in **French** and our **Ukulele** lessons will remain on a Friday morning with **Mr Nosworthy**.

Best wishes,

Mr Smalley
Robin Class Teacher

Parents, for ease here is a [Link to school website with parent calendar at bottom of page](#)

Any queries or concerns, please catch me after school (except Wednesdays when Mrs Beale will be dismissing the class) or email me via the school office.
