Y5 Cycling Proficiency

Dear Parents,

All children in Year 5 are invited to attend the Bikeability course in the Spring. The Bikeability team is unable to take any child on the training without written consent or payment. The children will also need a bicycle which is in good working order (this will be thoroughly checked by the instructor on day 1 of your child's training), and an appropriate size and a helmet. If your child does not have a bike, and would still like to be considered for the training, please outline this on the consent form, as Bikeability may be able to supply a rental.

Please pay £15 via ParentPay by **Friday, 15th March** to secure your child's place. (If your child is in receipt of Free School Meals there will be no cost to parents but we will still require consent). Please also complete the online consent form [here](#) by **Friday 15th March**.

Bikeability has confirmed that the training will run in groups over 2 days between 23rd April and 9th May, we will allocate groups based on who has returned their consent form, and will notify you before the end of term which dates your child will need to bring their bike to school.

Best wishes,

Kyle Smalley
