Dear Parents/Carers,

Online Gaming and Social Media

Today is Safer Internet Day, and with this in mind I would like to reiterate our collective responsibilities in keeping the children safe whilst online.

As you know from listening to the news, there is an increasing call for children's access to online games and apps to be limited due to the nature of some of the content that they are sometimes exposed to.

We are increasingly aware of children talking to one another about apps and games that they play which are inappropriate for their age groups.

At the very least, please could I ask you to closely monitor your child's use of social media and online games and encourage them to speak with you or another trusted adult if they see or read anything which they feel is upsetting.

If you have any questions or want to know more about online safety and how you can help, please visit our school website by following this link

<https://www.highlitletonschool.com/our-church-school/online-safety.htm>

Best wishes

Gareth Griffith
Headteacher
