## Robin Class Newsletter Term 5 2024

(Monday 15th April - Friday 24th May)

Dear Parents/Carers,

I hope everybody has had a restful break and that the children are ready for Term 5. I have detailed below what you can expect the children will be learning during this term.

### The Write Stuff

This term the Robins will be refining the skill of creating a non-fiction, balanced argument. The theme of this argument/debate will be centred around the tricky subject regarding **Screen-Use**.

### Maths

During this term, we will be focusing on the **Statistics, Shape, Position & Direction** and **Decimals** units of work.

### Science:

In science, Robin Class will be concentrating on **Imbalanced Forces** including: gravity, air resistance, water resistance, friction and levers, pulleys & gears.

### History

In History, we will be learning about: **How did the Maya civilisation compare to the Anglo-Saxons?**

### PE

**Mondays: Tennis**

**Tuesdays: Athletics** (running, triple jump and throwing)

### Religions and Worldviews

Judaism: God and the Covenant

### PSHE (Jigsaw)

Relationships

*"Love each other as I have loved you" John 15:12*

## Computing

Programming A - Selection in physical computing.

## Design & Technology

By the end of this term, the children will be given the opportunity to design and cook their own bolognese recipe. (Alternative options will be available for any dietary preferences/requirements).

Lastly, we will continue our learning in **French** and our **Ukulele** lessons will now be taught on a **Monday afternoon** with **Mr Nosworthy**.

**Please note: Mr Nosworthy** will now be delivering a **Ukulele After School Club** on Mondays this term. Please see the club sign up for more information.

If you do have any questions about the upcoming term then please do not hesitate to contact me and I look forward to seeing you all soon at parents evening.

Best wishes,

Mr Smalley
