

HIGH LITTLETON CHURCH OF ENGLAND PRIMARY SCHOOL

WRITING SCHEME OF WORK
2023 - 2024

At High Littleton Church of England Primary School, we believe that children should develop skills in speaking, listening, reading and writing. It enables them to express themselves creatively and imaginatively and to communicate with others effectively.

The aim for our English curriculum is to promote high standards of literacy by equipping children with a strong command of the written and spoken word, and to develop their love of literature through widespread reading for enjoyment. Our curriculum aims to ensure that all pupils:

- read easily, fluently and with good understanding;
- develop the habit of reading widely and often, for both pleasure and information
- acquire a wide vocabulary, an understanding of grammar and knowledge of linguistic conventions of reading, writing and spoken language
- appreciate our rich and varied literacy heritage
- write clearly, accurately and coherently, adapting their language and style in and for a range of contexts, purposes and audiences
- use discussion in order to learn; they should be able to elaborate and explain clearly their understanding and ideas

Speaking and Listening

We believe that the quality and variety of language that the children hear and speak are vital for developing their vocabulary, grammar and their understanding of reading and writing. We ensure the children's continual development of their confidence and competence in spoken language. At High Littleton Primary we are very aware of the importance of oracy as a limited vocabulary has been shown to impact educational attainment. In contrast, a wide vocabulary impacts positively on reading comprehension and the ability to make inferences. It enables pupils to make sense of what they are reading. Teaching oracy skills helps children who may be struggling to work or play well with others. For example, teaching rules and conventions around turn-taking in small-group discussions helps involve pupils who find free-flowing, "chaotic" discussions off-putting

Writing

This year we have adopted "The Write Stuff" by Jane Considine to bring clarity to the mechanics of writing. "The Write Stuff" follows a method called "Sentence Stacking" which refers to the fact that sentences are stacked together chronologically and organised to engage children with short, intensive moments of learning that they can then immediately apply to their own writing. An individual lesson is based on a sentence model, broken into 3 learning chunks. Each learning chunk has three sections:

Initiate section – a stimulus to capture the children’s imagination and set up a sentence.

Model section – the teacher models a sentence that outlines clear writing features and techniques.

Enable section – the children write their sentence, following the model.

Children are challenged to ‘Deepen the Moment’ which requires them to independently draw upon previously learnt skills and apply them to their writing during that chunk.

"The Write Stuff" uses three essential components to support children in becoming great writers

The three zones of writing :-

IDEAS - The FANTASTICs uses a child friendly acronym to represent the nine idea lenses through which children can craft their ideas.

TOOLS - The GRAMMARISTICS. The grammar rules of our language system and an accessible way to target weaknesses in pupils' grammatical and linguistic structures.

TECHNIQUES - The BOOMTASTICs which helps children capture 10 ways of adding drama and poetic devices to writing in a vivid visual.

During both key stages pupils’ interest and pleasure in writing is developed as they learn to write confidently and independently. This involves two dimensions:

- Transcription (spelling and handwriting)
- Composition

Transcription

Nelson Handwriting will be used throughout school and taught at Key Stage One in a dedicated weekly lesson and, as appropriate at Key Stage Two.

- In the Foundation Stage children will begin by using a multi-sensory approach e.g. water painting, drawing letters/shapes in sand/salt, paint, felt pens, large sheets of paper, chalks on the playground etc.
- During the year they will progress to using whiteboards and pens to practise individual letter formation.
- In the spring term Reception children will transfer handwriting to their writing books and practise sitting letters correctly on lines.
- From Year One onwards children will be taught to use Nelson Handwriting’s joined script.

Spelling

Current teaching practice and resources are to be in line with the new 2014 English curriculum. Children will be taught spelling strategies using a variety of approaches as set out in English Appendix 1 of the new curriculum. From Year 2, the children participate in weekly spellings tests using the age appropriate Twinkl scheme. The termly overview is given to the children at the end of the previous term.

- In Reception children will complete phases 1 – 4 of *Letters and Sounds* and will be taught at least 4 sounds per week during a daily dedicated phonics lesson (20 minutes).
- In Year One children will complete Phases 4 – 6 of *Letters and Sounds* during dedicated phonics lessons (20 minutes, 4 times a week) and receive weekly spellings.
- In Year Two, children will revise *Letters and Sounds* and will receive weekly spellings during dedicated spellings lessons (20 minutes, 4 times a week).
- In Key Stage 2 children will receive a dedicated weekly spelling lesson and spelling lists will be sent home. Target children will receive additional intervention to support spelling where necessary.

Composition

A variety of models for teaching writing are used; teacher modelling, shared writing, supported composition, guided and independent writing.

- From Year One onwards there is a weekly, dedicated independent write session.
- The teaching of writing/literacy is primarily approached creatively The Write Stuff approach at both Key Stage One and Two.
- The majority of sentence level work is taught through writing. Each week, the children have an additional discrete spelling, punctuation and grammar lesson alongside their Write Stuff sentence stacking lessons to further embed their understanding of writing skills. These skills are then used as their success criteria for their weekly independent writing lessons.

Spelling, Grammar and Punctuation (SPAG)

The school follows the statutory guidance which gives an overview of the specific features that will be included in the teaching of SPAG. These skills are covered within the GRAMMERISTICS and BOOMTASTICS within the sentence stacking lessons alongside the weekly discrete SPAG lessons. Children are taught to use Standard English and the vocabulary necessary to discuss their reading, writing and spoken language.

Reception

- ✓ Will tolerate hand manipulation
- ✓ Will work with another to allow mark making using body parts or an implement.
- ✓ Will attempt to mark make independently.
- ✓ Can recognise mark making materials.
- ✓ Can use and enjoys mark making materials.
- ✓ Can show some control in mark making.
- ✓ Can produce some recognisable letters.
- ✓ Can write the initial letter of own name.
- ✓ Will attempt to 'write' things, including own name using random letters.
- ✓ Can differentiate between different letters and symbols.
- ✓ Shows some awareness of sequencing of letters.
- ✓ Will write own name with wrong letter formations or mixed lower / upper case.
