Robin Class Newsletter Term 5 2025

(Tuesday 22th April - Friday 23rd May)

Dear Parents/Carers,

I hope that you have all had a restful break and that you and the children are ready for Term 5. In the following newsletter, I have outlined what you can expect the children to be learning throughout this term in Robin Class.

Please note: Our PE days have changed for this term to **Mondays** and **Tuesdays**.

Whole Class Reading

We will be reading an informative and eye-opening narrative entitled **Kick** by **Mitch Johnson**.

The Write Stuff

In our Write Stuff lessons, the children will be creating a 'balanced argument' which will be centred around the positive and negative impacts associated with 'screen-time'. We will be researching our topic in detail during lessons, allowing the children to draw upon collected evidence before writing their final piece of writing in this unit.

Maths

In Maths, our termly units of learning are: **Shape** and **Position & Direction**.

Science

In Science, our unit title for this term is **Unbalanced Forces**. This sequence of lessons will focus on the following physical forces: **gravity, air resistance, water resistance and friction**.

Geography

This term, we will be comparing two geographical regions: **South America** and **Europe**.

PE

Mondays - **Tennis**

Tuesdays - **Athletics** (these sessions will be held at the REC whenever possible).

"Love each other as I have loved you" John 15:12

Religions & Worldviews

This term, our unit of focus will be **Judaism - Torah**

PSHE (Jigsaw)

During Jigsaw lessons, our termly unit is entitled **Relationships**.

DT

Unit title: **Cooking and Nutrition**.

The children will be developing a recipe which we will eventually cook in the final week of term (all allergies and dietary requirements have been considered).

Computing

Unit title: **Creating Media - introduction to vector graphics**

French

Unit title: **School Life**.

Music

Our **Guitar** lessons will continue throughout this term as the children develop their skills even further with the help of **Mr Nosworthy**.

If you do have any questions about the upcoming term then please do not hesitate to contact me via the school office or catch me on the gate after school.

Best wishes,

Mr Smalley
Robin Class Teacher

Parents, for ease here is a [Link to school website](#)
