## CHRISTIAN VALUE OF THE TERM: HONESTY

### Message from the Headteacher

Welcome back to Term Six! This term our Christian Value is 'Honesty'. We will be exploring with the children the importance of being honest no matter how hard that might be sometimes. This week we shared the story of Zacchaeus and discussed how each new day is a fresh start.

This week, many of the children have been completing their summer assessments. The children have all shown great resilience in doing this and have tried their very best. Year Four's have also been completing the Government's multiplication tests online and we have been very impressed with their knowledge and confidence in these. Next week our Year One children will be completing the National Phonics Tests on a one to one basis with the Key Stage One team.

You may have noticed the front playground a little quieter in the mornings this week, this is because our Year Six children have been on their residential to Mendip Outdoor Activity Centre. The children have shown great team work, problem solving skills and kindness to one another. We are incredibly proud of all of them and look forward to hearing about their week upon their return to school. A huge thank you to all of the staff who took time away from their own families to look after the children this week.

**Mrs West-Gaul**

# Football

On Wednesday, we continued our campaign in the MSN football league. St John's came out victorious at home to Westfield.

St John's took an early lead and despite being brought back to 1-1 went on to win the game 2-1 thanks to an amazing team goal.

## Sports Day - 18th June

The Really  
Awesome Coffee  
Van will be on  
site all day for  
refreshments.

Sports Day will last all day for the children with each Key Stage taking part in different sports. Parents are welcome to attend the track events as normal but we ask that you stay down the bottom of the field by the car park and that you do not go to the top end of the field where the field events are taking place; where you can sit and watch will be marked out by Respect Line tape.

Key Stage Two (Years 3 to 6) track events will begin at 9am and EYFS and Key Stage One (Years Rec to 2) track events will begin at 1.15pm.

For the Key Stage 2 track events, parents are welcome to enter the field from 8:45am and will need to exit before lunchtime at 11.45am. For Key Stage 1 track events, parents are welcome to enter the field from 1pm.

Sports Day will start for all children at 9am with one of the key stages taking part in field events, while the other key stage takes part in the track events. There will be break times throughout the morning, where the children will return inside for a break. In the afternoon the key stages will take part in events that they didn't complete in the morning.

The children will need to have a sunhat, drink bottle and be topped up with suncream on the day in case of sunshine, and to be sent in with some warm clothing if the weather is due to be cooler than we have had recently. Children will need to come to school dressed in their house colour. The children will be reminded of their house colour.

For lunch, the children with packed lunches will eat their lunch on the field whilst the children who have school dinners will remain having their lunch in the dinner hall. If you have already booked a school dinner but your child would prefer a packed lunch, please adjust your booking on Parent Pay.

- Plastics and cans are being collected and recycled separately
