This week at Nursery . . .

This week at Nursery we have been making some boats for Art Week. The children showed their creative side by tearing paper to make waves. They then constructed boats with sails to float on the water, and some children even added some sharks!

The children have enjoyed some role play using the make up and hair salon. There has been lots of creative hairstyles and 'face painting'!

STAR OF THE WEEK

Willow-Belle

For being a kind and thoughtful friend and showing a positive attitude towards differences.

Well done!

We joined the Reception class this week for some story times. The class also invited us to look at the butterflies which had grown from caterpillars, and we were able to watch the butterflies be released into the sky!

It was a lovely experience, which created lots of opportunities for the children to talk about what they had witnessed, and to talk with the reception children the changes they had observed.

Most importantly they saw how much fun they can expect to have when they go to school in September!

The pre-schoolers have worked amazingly hard this week on their performance for the beach party. They've all shown such charisma when using the real stage for practising. The children are very excited to show their grown ups their singing and dancing! We even had the reception class come to watch and give us a big cheer!

Reports for Pre-Schoolers

Please can these be read and signed for next week ready for us to hand over to school. Key workers have been feeling very emotional when writing the letters to your children, so if you have the chance to read it to them too, that would be brilliant - they are our little stars!

Nursery Closure Dates

Please note the Nursery will be closed from Monday 4th August and will re-open on Monday 18th August. We will also be closed for the Bank Holiday on Monday 25th August.

INSET Days

Our staff will be attending annual training in September and the Nursery will therefore be closed on 1st and 2nd September. We look forward to seeing everyone again on Wednesday 3rd September when we will also be welcoming lots of new children.
