5th September 2025

This week at Nursery . . .

At Next Steps this week, we have enjoyed getting to know our new children and their families and reuniting the full staff team and our current children. We have enjoyed catching up, hearing stories of holidays and adventures over the summer.

We have been impressed and proud of how the children who were already with us have shown how caring they are, welcoming their new friends into the Next Steps family, and helping to settle them in to their new environment. They have showed maturity and confidence when supporting our new children into the routines and learning some traditions like the very popular 'lunchtime song!'

We look forward to welcoming some new families next week too.

As ever, if you have any questions, please feel free to speak to any member of staff.
