CHRISTIAN VALUE OF THE TERM: WISDOM

Message from the Headteacher

Welcome back! I hope you all had a restful and joyful Christmas break.

As we begin this new term, our collective worship will focus on our Christian value of Wisdom. This week, we linked this theme to the story of the Epiphany. We explored the journey of the Wise Men, looking closely at the qualities they demonstrated: insight, willingness to succeed and trust to follow a greater light.

Throughout the term, we will be encouraging the children to think about how they can use wisdom in their own lives, not just by knowing facts, but by making good choices and showing understanding towards others.

We have an incredibly busy term planned, filled with opportunities for the children to shine, learn, and grow. Please do keep a close eye on the 'Dates for your Diary' section, as there is a lot happening! Some key highlights include:

Young Voices: Our choir is preparing for an unforgettable experience as they join thousands of other children in song.

National Online Safety Day: A vital opportunity for us to reinforce how to stay safe and respectful in the digital world.

NSPCC Number Day: We'll be celebrating all things maths while supporting a fantastic cause.

Children's Wellbeing Week: A dedicated week to focus on mental health and the tools our children need to stay happy and resilient.

Thank you, as always, for your continued support.

Mrs West-Gaul

Reading in Acorns

This term in Acorns our topic is 'Open the Book' so we will be exploring traditional tales.

We have started by reading the story of The Gingerbread Man and even had a surprise visit from him when we weren't there - he got our role play all set up and even made some gingerbread figures out of playdough!

We are looking forward to reading lots of different traditional stories over the next few weeks!

Chess Tournament

Oakfield Academy will be hosting a junior chess tournament on the 7th February (10am-5pm). The tournament is being run by Oakfield's chess club and the Somerset Junior Chess Association.

The event is open to all young people under 18 and no prior tournament experience is required but children should be capable of playing a full day's chess. One parent/carer is welcome to stay and provide support. Light refreshments will be available from Oakfield Fundraisers, however participants are advised to bring their own lunch.

This will be a "Swiss Tournament" where players compete in all the rounds and no-one gets knocked out. There will be separate age prizes for the best U18, U11, U10, U9, U8 and U7 provided sufficient numbers participate in each group. Clocks will be used on all boards and all moves are to be played in 25 minutes for each player.

Entry is £15, payable via cash, cheque or bank transfer. Please sign up [via this link](#) by Friday 6th February. Any queries please contact cshaddick@oakfield.mnsp.org.uk

Thought of the Week

Thought of the Week

'When they saw the star, they were overjoyed. On coming to the house, they saw the child with his mother Mary, and they bowed down and worshipped him. Then they opened their treasures and presented him with gifts of gold, frankincense and myrrh.' (Matthew 2:10-11)

Visit Of The Three Wise Men - Jesus Mafa (1973)

Although Christmas is finished, early January is the traditional time when Epiphany is celebrated. In many countries around the world, the three magi or kings are remembered and people celebrate how a star led them to Jesus. 'Epiphany' comes from the Greek word 'to reveal' as it is seen as the time that Jesus was revealed to the world. Children often receive gifts during Epiphany to remind them of the gifts the wise men gave Jesus.

But what of those gifts? They seem a bit unusual, don't they? Not the sorts of gifts you'd give a child.

The gifts all held significance though and as people who studied the stars and read about prophecies from different ancient cultures, they would have known about a promised Messiah after studying the Old Testament texts.

Gold was one of the gifts. I suppose at least Mary and Joseph could have sold it to buy things they actually needed!

But giving Jesus gold was referring to him as the promised king.

The Adoration Of The Kings - Zanobi Strozzi (1433-34)

Frankincense was an oil that was even more precious than gold. This oil could be made into a perfume which was said to have 'a heavenly scent' or a 'divine aroma'. This was meant to signify that Jesus was coming as a holy leader, or priest, guiding people towards God. It could have also meant that he was God himself.

Finally myrrh. This was said to have medicinal properties, but it could also be used to create an exquisite perfume. Myrrh, though, was used most commonly to anoint the dead. These wise men would have read the prophecies explaining that this promised messiah, king, priest and Son of God would also become a sacrifice, to take the punishment in place of everyday people.

This is why for Christians all over the world, the visit of the magi is so significant, because they gave gifts that explained so clearly who Jesus was and what he came to do.

The Adoration Of The Magi - James Tissot (1886-94)
