23 February 2026

Dear parents

I hope you all had a pleasant & restful week and the children have returned ready for the challenges of a new term. Everyone really enjoyed our 'Special Stories' topic and hopefully the children will be equally inspired by our new topic '*Where does food come from?*'.

We will be learning about different types of farms, farm animals and their young, food produce, and visiting a farm. Information to follow in a separate letter. A topic web showing the variety of cross-curricular activities planned is posted on the school website.

Just a few reminders for the term:

- Forest Friday will continue each Friday morning and PE every Thursday.
- Please remember to hear your child read regularly at home. It makes such a difference to the progress made. We would like each child to read **each** book at least 3 times to improve fluency, confidence and develop a natural reading rhythm - an area we have identified to improve further.
 - There should be a marked improvement in pace from the first read to final read.
 - We may reduce the number of books sent home so this target can be met.
 - Please comment or initial in the reading diary X3 so we know this has been achieved.
- Please remember **named** water bottles and a piece of **named**, fruit every day.

I look forward to another busy and successful term with the children. As always please remember I am always available if you ever have any worries, concerns or questions. Thank you for your continued support.

Yours sincerely

Emma Payne
