Head Teacher: Mr Gareth Griffith

Monday 1st June

Dear Parents,

Welcome back to Term 6 which I know will be an action-packed term full of exciting opportunities for Deer Class. We expect the **SATs results back on Tuesday 7th July** and these will be shared with the children and parents at the earliest opportunity.

Of course, this is a busy term for Deer Class, however, we still have things to learn. In **Maths**, we will be carrying out some investigations (Fibonacci sequence) as well as revisiting the key learning from this year. For **Whole Class Reading** this term, we will read several abridged versions of Shakespeare plays which I hope will give the children a good understanding of the plot and characters.

In **writing**, the children will have the opportunity to demonstrate all of their writing skills this term across a range of genres, including: a recount about the London trip; descriptive writing about an alien planet; a biography of the great Gareth Wyn Griffith; a guide about caring for a 'miptor'; and finally a leaver's speech.

There will be no homework this term - **other than learning lines and songs!** That said, I have set the children the task of learning all of the countries within a given continent each week and this will be completed at school each morning from 8:50-9:20.

I look forward to making the next seven weeks a special, memorable time for the children and their families. I have included the key dates which I shared last term below.

Subject	Topic Title	Key Learning
Geography	The UK: Can I carry out an independent fieldwork enquiry?	Developing an enquiry question relating to the local area and independently planning how to collect and analyse the data gathered on a field trip.
PE	Dancing Cricket	Learning original, full-class dance routines for the production. Developing technique and accuracy with throwing skills in a game of cricket.
RE	Humanism	Discovering the beliefs, key thinkers, and unique practices of the Humanist philosophy and understanding how this compares to major religions.

"Love each other as I have loved you" John 15:12

PSHE	Changing Me	Furthering awareness of changes affecting children in puberty, both physically and mentally, understanding the nature of self-image and bringing this forward to the transition to secondary school.
------	-------------	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Please do not hesitate to come and see me if you have any questions or queries. **I believe a strong teacher-parent relationship is essential to ensure your child makes the most progress they can.** I also know that a happy child who feels safe and cared for at school will make the most of their days so please keep me informed of any changes you feel may affect their well-being.

Yours sincerely,

Mr Gunning
Deputy Headteacher
