This week at Nursery . . .

This week at Nursery, we have been focusing on 'Summer', and helping the children to learn about ways to stay safe during warmer weather. The children have enjoyed taking part in a variety of fun activities designed to promote healthy summer habits.

We enjoyed playing a bingo game, which included pictures of summer essentials (sun cream, hats and water bottles). This prompted lots of discussion about staying safe in the sun, keeping hydrated and making healthy choices to look after our bodies.

We also had great fun making our own banana, mango and orange smoothies. The children helped to peel, chop and measure the ingredients before they were blended together. They (mostly!) enjoyed the all-important taste test and enjoyed sharing some of their favourite refreshing fruits.

Many have enjoyed creating a suitcase picture filled with essential summer items. The children demonstrated a good understanding of the differences between summer and winter clothing and accessories, carefully selecting the items that would be most suitable for a sunny holiday.

The children have been engaged in our holiday-themed role-play area. Complete with suitcases, sunglasses, cameras and a picnic blanket, the area has inspired lots of imaginative play. They have enjoyed re-creating their own experiences of family trips and holidays, sharing them with their friends, and developing their communication skills.

STAR OF THE WEEK

Orley-Beau

For overcoming personal achievements and showing bravery in new situations.

Well done!

Sports Day

We felt it was a real shame to have to cancel our Sports Day races on Wednesday. Unfortunately, when the decision was made, the weather was incredibly wet and to avoid accidents, injuries and unnecessary upset, we felt it was safest to cancel.

We would like to wish all of our Dads, Grandfathers and important male role models a Happy Father's Day for Sunday. We hope that you enjoy celebrating with family!
