I hope you have all had a wonderful summer break and that you are feeling refreshed! The following information in this newsletter will detail what the children can expect to be learning throughout Term 1 in Robin Class.

Whole Class Read

We will be reading **'The Explorer'** by Katherine Rundell. This is a fantastic narrative which follows a group of children stranded in the Amazon jungle.

The Write Stuff

Robin Class will be developing the skills needed to write a narrative during this term. We will be studying the short film **'One Small Step'** by **Taiko Studios** in order to help us with this.

Maths

During this term, we will be focusing on the **Place value, Addition & Subtraction** and **Multiplication & Division A** units of work.

Science

This term, the children will be learning about: **Living things and their habitats.**

History

The unit which we will be focusing on in History this term is entitled **Crime and punishment.**

PE

Monday: Dance

Friday: Football

Please ensure that children wear their PE kits to school on these days. Sessions for both units will be taught either in the school hall, or on the school playground, depending on weather conditions.
