## This week at Nursery . . .

What a lovely week we have had as we have continued to enjoy our 'All About Me' theme!

The children have been busy exploring facial features, using images of them to build pictures, and talk about their own faces. They have also had lots of fun using the pictures as photo props! We have enjoyed seeing the children's sense of humour shine through. It has brought a lot of laughter!

Thank you to all who have sent in family photographs. The children have loved sharing their special family pictures with their friends and key adults. We will continue to explore these next week, so please do send in photographs if you would like to. It is always so lovely for us to gain an insight to the important people in the children's lives.

We have spent time talking about some things that make each child unique. They have shared lots of wonderful information, including their favourite hobbies, interests, pets and foods. It has been lovely getting to know more about the things that are important to each of them.

We have also made the most of the beautiful autumn sunshine! The children have enjoyed time outdoors; playing in the sand, riding the bikes and creating colourful chalk pictures across the playground. There has been lots of exploring, chatting, playing and learning together!

We are already accumulating a number of lost property items. Please can we ask that you check all of your child's items are labelled, including coats, jumpers and hats. This makes it much easier to return items.

### STAR OF THE WEEK
