2nd October 2026

This week at Nursery ...

What a lovely week we have had at nursery!

This week, the children have been exploring 2D shapes and using them creatively to make pictures of their own houses. We have really enjoyed talking to the children about their homes and discussing the different features they have, such as doors, windows and roofs. It has been wonderful hearing them share their perceptions and experiences of life at home.

The children have also been developing their fine motor skills by threading large hoops onto string. This activity has encouraged them to practise their hand-eye coordination, concentration and control, while having lots of fun!

We have also enjoyed making puzzles using pictures of the children and their friends at nursery. They found it very funny to see themselves and their friends turned into puzzles, and they loved the excitement of revealing who was hiding among the pieces!

STAR OF THE WEEK

for being kind & caring
to her friends and
being so helpful to all
grown ups!

Well done!

A Special Goodbye to Steph

Next week will be Steph's last week at nursery before she begins her maternity leave. We are sure you will all join us in wishing Steph and her family the very best. We all wish her lots of love and happiness for the special times ahead.

Nursery Rhyme of the Week

Invoices

We are currently processing the invoices for September after checking all the eligibility for funded hours. These will be available for payment via the Arbor Parent Portal or with childcare vouchers (please send the school office the reference details). We understand that this will mean that invoices for September and October may be issued within a short time frame, so are willing to be flexible regarding payments. Please contact us if you wish to discuss a long-term payment plan.

Date for the Diary

Thursday 22nd October: The Nursery will be closed for staff training.

St John's
C of E Primary School

Will your child be starting school in September 2022?

We understand that choosing a school for your child is one of the most important decisions you can make.

We invite you to join us at one of our events for a presentation and tour of the school.

We look forward to welcoming you and sharing all the exciting activities and opportunities we offer in our Acorns Reception Class and throughout the school.
