### SOMERVALE SCHOOL UNIFORM & PE KIT

All clothing should be clearly marked with the owner's name. This is particularly important as clothing is mislaid, lost and unclaimed!

Advice about clothing or footwear required for certain subjects will be given by the staff concerned.

It is understood that pupils may wish to follow fashions but we take the view that a school is a place of work where fashion is inappropriate. Accordingly, excessive make-up or un-natural hair dyes, extreme hair styles or extreme fashion garments/shoes will not be permitted. The wearing of jewellery is not encouraged. Earrings, nose studs and pierced eyebrows are not permitted (pupils with pierced ears may wear one 'small stud' per ear only). If pupils disobey this ruling, they are asked to remove the jewellery and the school will keep it until a detention has been attended. Persistent offenders will be sent home if necessary.

Failure to adhere to the school's uniform expectations may result in students going home to get changed, replacement uniform being worn or possibly removed from circulation until the uniform issue is resolved. In the case of incorrect footwear, students will be required to wear the schools replacement shoes ('daps') unless there is a medical reason. Students with extreme haircuts or dyes will be sent home to remedy the situation. Students who wear excess jewellery will have this confiscated and returned following an after school detention.

Failure to comply with any of the above may ultimately result in exclusion.

Students in Years 12 and 13 are expected to dress in a manner appropriate to the school's purposeful, business-like environment.
